This Azimut 55 Flybridge is built to offer sporting style on the exterior with strong, sleek lines combined with a calm, cozy interior, providing this yacht with both serenity and vitality. Owners are sure to appreciate the space, elegance, and agility this model has to offer. With large windows that offer a fantastic view and bathe the interior of the vessel in natural light. Those aboard can genuinely enjoy all the sea has to offer. Twin Caterpillar engines provide exceptional power and speed for cruising at 26 knots. There is plenty of space aboard for entertaining and getting away for extended stays. Three staterooms, full beam master, crew cabin, two heads, and sun pad ensure our VIPs feel that way.
